Mary Ann Kantrow, President

During this part of the year I start to look forward to 2003 and the kinds of events we should plan. We have the usual events that we have been doing since we became a club such as the progressive dinner and color tour. But I am always looking for more and unique events. If you have an idea for an event please contact me or any of the board members to discuss your idea. We also need volunteers to help run events. If you're thinking you don't know the first thing about running an event it's actually quite simple. If you have an event in mind here are a few suggestions and hints:

1. Think Fun and Friendly
2. Pick several dates that are convenient for you
3. Review those dates with me (I have the calendar for the year) and we can establish a date that works with the other events planned
4. Please contact the Insurance chairperson, Gary Starin, if the event encompasses vehicles driving together in a group. We need to request insurance for this kind of an event at least two months in advance
5. Please let the board know if you need funds for your event in advance (usually to cover refreshments and the like)
6. Advertise your event in the newsletter at least 2 months in advance (2 newsletters)
7. Keep a contact list in case the event must be cancelled
8. HAVE FUN

The next event that we have coming up is the Color Tour scheduled for October 13th. Jim & Liz Christopher have been hard at work organizing this event and mapping out a great route so that we can enjoy our Porsches to the fullest. Hopefully the weather gods will give us a great day but even if it does rain we always have a good time because of the fun people in this club. Please let Jim and Liz know as soon as possible if you plan to attend.

In November we have our Annual General Meeting, Chili Cook Off and Bon Fire. This event is scheduled for November 9th. We use our AGM to plan for next year so this is a perfect opportunity to share your ideas and get them on the calendar. We also announce the results from the election during this meeting. The Chili Cook Off usually keeps the "meeting" part of this event short because the aroma fills the house and we have trouble concentrating on business. After we have had our fill of Chili and other fixins we relax in the quiet glow of the bonfire. Please contact me at (734) 998-1403 or mkantrw@peoplepc.com to let me know if you plan on attending and are bringing chili.

Please take a moment to vote in the board member elections. This is your opportunity to shape the future of your club. Your vote does matter so please send me your ballot by November 4th or bring it to the AGM on November 9th.

Hope to see you soon,

Twenty RSR members met at the Burger King, just West of Saline at 10:00 a.m. We gathered around for a variety of fresh muffins and juice served on a 911 Whale Tail. See they really have a purpose!

New members, Elizabeth & Joe Desormeaux are welcomed at their first club event.

Midway stop at Grass Lake Arts & Crafts Fair.
At last, after a short drive through the winding roads of Chelsea we arrive at the Grill. We were all getting signals “feed me”.

Music filled the air and the horse & buggy rides.

Ready to order after the 94 mile sun filled ride through back country roads uncluttered by bill boards, city stop lights and...
Sound & Fury

This newsletter you hold in your hand is one of the most important organs of a club like ours. It gets information out to you, the members, that may be of use to you in this shared passion for these cars we all dote over. You find information on upcoming track events, picnics, dinners, tech sessions and more. There are articles on how to work on your car, listings of car things for sale, and ads for people who work on cars or sell car stuff. One thing missing so far is a feedback area where you can have your say. You may not want to write a whole article but have something to say on a Porsche related topic. Maybe you just want to vent on some topic that’s near and dear to you, air some pet peeves, or send some pictures. Anyway, here’s your chance. Send us a letter or an e mail and see if it passes our rigorous censorship panel and gets into print. Send your input to Joe Lile at lilej@mail.resa.net or mail to 22514 Alexandrine, Dearborn, MI 48124. Questions? Call Joe at 313.274.3091 before 9:00PM.

COMING EVENTS - Mark your calendars! (Don’t miss these!)

RSR Annual General Meeting,
Chili Cook Off & Bonfire

Date: Saturday, November 9th
Where: Kantrow Kamp
       5557 North Territorial Road
       Ann Arbor
Time: 4:00 pm

FALL COLOR TOUR

When: Sunday, October 13th

Time: 12:00 Noon

Where: Probably two starting points. One group starting near Brighton to entice those living close to that locale and another group starting somewhere near Waterford or maybe West Bloomfield or White Lake Townships. The two groups will meet shortly thereafter at some mid-point for a “pit-stop” and refreshments.

Duration: Because this is a Sunday activity we didn’t want to start too early, nor end too late. In addition, seat time in a Porsche can get a little old after a while. We are thinking that actual seat time will be no longer than four hours, maybe three as we will have a break in the middle of the tour. The tour will end in Holly. Holly has some cute shops and a great restaurant named The Historic Holly Hotel. The HHH will lobby to close the adjacent side street to allow us preferred parking and we will have a private dining area. We expect to reach Holly no later than 4:15PM. This will give us about an hour of “exploration” time prior to dinner. Both I-75 and US-23 are less than ten minutes from Holly so it will be easy for people to head home via these two main arteries. In addition, the extension of Milford Road runs virtually into Holly making it a fairly good and centralized location.

Dinner: We will have a choice of chicken, beef, and most likely fish. Cheese and cracker tray(s) and a desert table will also be on hand. Projected cost for dinner is expected to not exceed $25.00 per person; exclusive of beverages.

Here’s what we will need from you. Let us know, by email or telephone, if you plan to attend. We will need to know:

- How many people are attending; and their names
- How many vehicles
- Your email and telephone number(s) as well as the telephone number of the mobile telephone you are likely to use on the tour
- Where you live

If you email please begin the subject component of your message with the words Color Tour as we routinely delete messages that we think may be spam. Because our club members are so geographically diverse it is really important to let us know where you live because, in an effort to get as many people participating as possible, we are honestly trying to coordinate two starting points. At the very least we will have a starting point that will be as convenient as possible for all who plan to attend. Here are the ways to find us:

2002 Election Ballot

Four positions on the board are up for election this year. Each member and their affiliate may vote for Four Board Members. Please return your ballot to:

Mary Ann Kantrow
5557 North Territorial Rd
Ann Arbor, MI 48105

Ballots should be postmarked no later then November 4, 2002 or ballots will be accepted at the November 9th Annual Meeting.

Candidates for the Board are:

Burghard Linn
I have been your treasurer for several years as well as a board member. During those years I have helped to put the club on a solid financial footing and I have contributed to and participated in almost all club events – making many friends in the process. I am asking you to re-elect me for one more term so that I can finish documenting and fine-tuning the financial process. This will make it easy to pass the treasurer’s responsibility on to someone else in the future. I will certainly continue to participate and support the club in all its activities.

Christian Maloof
I am a new member to RSR, but I have been joining you for the Waterford Track Events since last summer. Even though I have not been driving a Porsche at Waterford (silver Audi TT), members have openly accepted my participation. The new friendships I have formed and the camaraderie has drawn me to become an active member. I am very excited to bring more to the PCA: more energy, more new ideas, and more ways for men and women to appreciate and utilize the club. Thank you for welcoming me into your club. I look forward to offering my contribution to the advancement of RSR.

William Pearson
I joined the Rally Sport Region of the PCA in early 1998 after buying my first Porsche, a Grand Prix White 1987 Carrera. After a father-and-son trip to Bondurant to learn about high performance driving, I got the itch to take my 911 on the track. I was happy to find out that our club runs fabulous DE events, and since I began participating in them last summer, I haven’t missed a single one. I sold the white 911 and now own a Glacier White 1997 Carrera S for the street and a Guards Red 1987 Carrera for the track. I’ve also been enjoying some of the club’s social events, and have recently attended my first monthly meeting. It would be my pleasure to serve the club as a board member, where I would hope to attend as many club events and meetings as possible and do what I can to help keep our club “Fast, Fun, and Friendly”.

Aaron Pfadt
I have been a member of PCA/Rally Sport Region since 1999. I currently own a silver 1973 911S that I purchased in the spring of that year after a long search. My wife Robbin and I drive the car frequently at Drivers Education events which I was introduced to by Rally Sport Region. I have a strong interest in cars and driving and would like to help the club spread that passion to other car enthusiasts. As a Board Member I would do my best to help out the club in all of its activities.
Ell Pizarek
Member since January 2002. Brought our first Porsche into our family as an anniversary gift for my wife. We were married June 6, 1982 so it was only fitting that I bought her a 1982 911SC. Our second Porsche entered our family this year when my wife bought me a 1986 928S for my birthday. I have enjoyed auto crossing, car shows, and tours with both cars. I also enjoy other club events such as kart-to-kart racing, family picnics and social gatherings. I would like to become a board member so that I can help our club appeal to all Porsche drivers. I believe that our club should host a variety of events that will draw members to participate at greater levels.

Mary Pizarek
Member since January 2002. While supporting my husband’s military career, I had the joys of traveling the Autobahn for twelve years. Not finding the right deal on a Porsche, we settled on BMW and Mercedes to get us around. It wasn’t until my husband retired and bought me a 1982 911SC did I truly understand why he wanted one while we were overseas. As a board member I will try to help programs that will spark the interest and bring members out to participate in our club activities. Being new to Michigan, I thought by joining the Porsche Club, I would meet new people and make new friends, and that is just what I did. I enjoy the meetings, picnics, and the tours. I will try to attend as many meetings and functions of the club to the best of my ability.

Robert Van Dyke
Since joining in Jan.02 I have been continually impressed by how well the events are handled, especially drivers ed. Lorna and I have been made comfortable made welcomed on all occasions. I would enjoy contributing whatever I can.
