**By Mary Ann Kantrow,  
President**

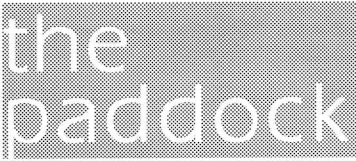

I would like to take a moment to remember those who lost their lives in New York and Washington. I found it difficult to write about our past events and the fun that we will be having when just a few days ago so many lives

were lost. But I also know that life does go on and soon we will be returning to the normal pace. During this return to normalcy please remember to hug your children and tell all those that are special around you that you love them because you just never know. Our thoughts and prayers go out to the victims' families.

Our Annual Progressive Dinner was a great success despite the weather. We had some rain in route to our first destination but the weather cleared for the rest of the evening. I would like to thank Dru and Matt Huber, Carolyn and Gary Starin and Sue Sarin for donating their homes during the event. I would also like to thank all the participants because without you we would not have had such great food and fun. All the dishes provided were a great compliment to Gary and Carolyn Kabobs and Bob Sandau's Pork loin and grilled salmon. Look for a full report on the Progressive Dinner by Chuck Freitas with some pictures in this newsletter.

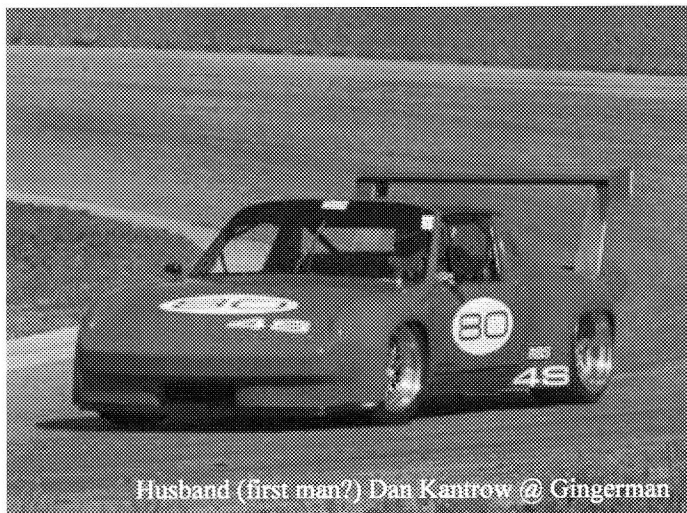

You may have noticed a change to the date of the Color Tour in the last newsletter. I just wanted to let everyone know that the date was changed after the newsletter was printed so it was not Lori Jo's fault in any way. Roger Garrell and Katie Sharp have planned yet another great tour for us again this year. If you would like to attend please give them a call at (248) 814-8703. A one page ad gives all details in the newsletter.

The date for the Race Karting is still set for September 29 but there is a possibility of it moving to

October 6th. If you were thinking about attending this event please call Matt Huber at (810) 225-8372 and find out the latest details.

In this newsletter you will find the 2001 Election ballot. Please take a moment to read the about the candidates and make your choice for board members. The ballots should be postmarked no later then November 5 or you can bring them to the Annual General Meeting on November 10th. This is your chance to shape the future of this club. During the AGM will be also be having our Annual Chili Cook Off and Bonfire at the Kantrow Kamp. Please let me know if you plan on attending.

Husband (first man?) Dan Kantrow @ Gingerman

Our charity autocross has been canceled for this year despite all our efforts to locate a lot for this event. I am very disappointed that we could not make this event happen and provide the members who like to autocross a venue while raising money for charity. We will be looking for other event ideas during which we can raise money. We have many talented members in this club and if you think of an idea please contact me at [mkantrow@peoplepc.com](mailto:mkantrow@peoplepc.com).

Hope to see you soon,  
Mary Ann

**By, Chuck Freitas**

For many participants the event started quite early in the day with wash and wax to their Porsche, only to find damp roads with the scattered showers that hovered overhead. For others, the day started even earlier with the food preparation. But, the actual event started at 4:00 p.m. with great appetizers and drinks hosted at Dru & Matt Huber's home in Brighton. This was a great time for mixing and sharing of stories.

After about 2 hours the announcement came "start your engines" and We were off on the twisted, two-lane Commerce, through Milford and

back roads of N.E. Brighton, up Hickory Ridge, over back on Middle through some great S turns.

Starin's house for the main course. Once inside from the grills led us to the patio. There was cial sauce, chicken/ shrimp/mushroom kabobs fish, pastas, breads and a lot more. Self-landscaped walk took us to see the Red 1955 rage --- terrific automobile.

Prizes were awarded to: Glen & Claudia Trapp for highest mileage, 78,508; Kyle and Barb Stevens for the greatest distance to the event, 350 miles and Dru & Matt Huber for the People's Choice car award, a red 911 turbo. All received model Porsches.

We were off again-- heading east through the back roads of Highland, Commerce, West Acres and Orchard Lake ---- great--curvy roads. We arrived at Sue Sarin's home in West Bloomfield for delicious desserts and coffee to wrap up an enjoyable evening.

# Woodward Cruise

SMR members watch the cruise

## *Hi Porsche Buddy's.*

I went cruising on Woodward Friday night & had a ball. Lots of Porsche's, 550 spider, 356's, lots of new 911s, Boxsters, and hooked up with some new 914 guys. One guy Ken Chalk had a 74 Ravenna Green 1.8L looking for other 914's. I will get him into our club. Another 914 light blue I didn't get his name. Found some folks from SEM parked in Birmingham, they waved me in and spent time talking to me. I would guess-estimate there were over a million people along Woodward and 40,000 plus cars. I had a good time, because this is where I used to hang out in my 53 Ford Cpe with the Chrysler Hemi engine. I was just a farm boy looking for girls, street racing, and trying to look cool. Today looking back it seems like we were having a great time, but back then we didn't know it. Oh well, we were just dumb kids growing up. It was a great time to grow up in the 50's. Next year we all have to get together and cruise in a group. Lot of other clubs were doing it. On the way home one I-275 just after 6 mile I hit a piece of shredded truck tire laying in the road. I put big dents in the front sheet metal valance under the front bumper. Took out the wire connection to the oil sender unit on the bottom of the motor. I checked everything out today and the damage is not as great as I thought. The hazards of the road, nothing I could avoid.

That's the scoop on Woodward, it was great cruising.

# **2001 ELECTION BALLOT**

The position of President and three positions on the board are up for election this year. Each member and their affiliate may vote for the President position and three Board Members. Please return your ballot to:

**James Dunham**  
**6277 Mercedes Lane**  
**Plymouth, MI 48170**

**Ballots should be postmarked no later than November 5, 2001 or ballots will be accepted at the November 10<sup>th</sup> Annual Meeting.**

Candidates for the President/Board are:

**Chuck Freitas**

I'm Chuck Freitas and have been a member for a year. I enjoy going to the meetings and the dialogue afterwards. I would like to become a board member and be more active in events.

**Mary Ann Kantrow**

I have been your President for the past two years and would like to continue to serve your Club in that capacity. I believe that this Club has some great members because we share the same passion. We need to get more members involved around our shared passion in order to continue its growth and maturity.

**Kelly Roberts**

I have been a member of PCA/Rally Sport Region for two months. I currently own/drive a 2001 Guards Red 986 Boxster, which my wife Susan and I purchased this past June from Brumos Porsche in Florida. As a Board Member I will endeavor to uphold the clubs name in good rapport, I will attend Monthly Board meetings and Club events to the best of my ability. I would also like the opportunity to contribute to the club and it's activities in a greater role beyond the general membership by doing whatever needs to be done.

**Susan Sarin**

I have been a member since 1997, joining RSR because I liked the idea of having fun with my car and learning to drive it better. I have served this club as your Vice President for the past two years and have continued be involved with Meadow Brook Concours events. I have very much enjoyed the activities the club has sponsored and expect to continue supporting the ideals of RSR.

**Gary Starin**

Currently I am the Club's Secretary and Insurance Chairperson as well has a board member. This year I'm seeking reelection to continue to try and get more of our members to participate in our events - they are all a lot of fun! I really enjoy meeting the new members of our chapter, getting to know a little about them and talking to them about their great cars.

## Richard Zarbo

I am one of the 30 founding members of RSR and have had great pride over the past 5 years in its evolution to a robust club of Porscheophiles with board interests. Of course my passion is the cars, but the people are the main "driver" in my participation in this Club for I have laughed with and learned much from new friends here. My introduction to Porsche was a '91 C4 (that many of you taught me to drive adequately with the shiny side up) but it has taken me the past 2 years in a Porsche-less state of deprivation to scrimp and locate my new passion - a 993C4S. I aim to contribute my time to enhance the Club's vitality and share my interests with newly found friends. I hope you will vote for me for the Board in this election but either way I will be pleased to serve this club.

It wasn't me! That's right, it was not me that made a mistake on the Colour Tour dates. It was an executive decision after the newsletter was printed. Conflict of scheduling for some of our members or something like that. Just wanted to clear

that up, I make enough mistakes on my own.

Any how, there are plenty of articles this month to keep you busy. Past events as well as upcoming events to read about. I want to thank our members for their contributions. Not only in planning these activities but for the articles and follow up. Please keep in mind that dates do change from time to time due to all sorts of reasons. Either the facility must reschedule or we find out that there is an conflict with an event that another region is holding and so on. If you are interested in an event always call the contact person for up to date information and check out the web site. We do our best to get Vaughan the information for the web site.

Oh, by the way Bob and Lisa Sandau had a baby girl. Her name is Camryn and she was born August 27. It must have been the progressive dinner the night before. Congratulations Camryn on being the newest member.

## my time

Hey check out PCA member Jack Allen's new book, "Change of heart". See ad on inside

cover, I wonder if there are Porsches involved?

Well I have to cut my article short because I need the room to fit in more information. Oh darn it anyway.

See Ya, Lori Jo

## WALL CLIMB

It's that time again. RSR is scheduling the annual *Wall Climb* to Planet Rock. This is an indoor climbing gym and training center. As we go to print we did not get a date finalized. Please call for information and check out our web site as we will keep that updated. We are hoping to have a November date.

ARTICLES: All articles and pictures should be submitted by the 1st of the month, to the editor. Preferably, use the e-mail address ([bahnstormer@worldnet.att.net](mailto:bahnstormer@worldnet.att.net)) to minimize retyping, or send a diskette. The Bahn Stormer is created using a PC format. I should be able to incorporate any applicable software. However, I am a graphic illustrator and not a computer junkie so if you do something funky send along instructions. PHOTOS: Should include the names of any one in the photo and if it is a car photo list any pertinent information. Photo's can only be enjoyed if we know the what and who. I have a HP ScanJet 6100C and should be able to scan in any photo color or black and white. Please send all articles and photo's labeled with your name and address. All materials will be sent back to you, in due time. Sincerely your editor, Lori Jo Sahinbas
